The portal includes Videos, Training, Recorded TAM Webinars and a TAM Forum (requires free account).

Challenge – Visit the TAM Portal and upload one document from your agency that isn't on the web site, download a resource or join the forum.

The TAM Forum is an awesome resource that becomes better with greater participation.

TAM WEBINARS

Description

Since 2012, FHWA and AASHTO have sponsored a webinar series addressing topics in transportation asset management including financial planning, risk management, tradeoff analysis, data management, integration of MAP-21 plans, and more. Webinars feature transportation practitioners sharing lessons learned and providing demonstrations of the TAM tools and methods that are helping to expand the impact of asset management at DOTs nationwide. Register here for upcoming webinars.
